

MASCOMA COMMUNITY HEALTH CENTER

Right Care. Right Cost. *Right Here.*

OFFICERS and BOARD of DIRECTORS

Scott A. Berry, MS, Canaan, PROJECT MANAGER, RECRUITMENT COMMITTEE CHAIR

Scott Berry was the former Chief Operating Officer of the Northern New England Accountable Care Collaborative, LLC (NNEACC). NNEACC was formed in 2012 by three healthcare delivery systems (Dartmouth-Hitchcock, MaineHealth, Eastern Maine Health Systems) and Dartmouth College to develop a new software application suite utilizing advance analytics and predictive modeling to help clinicians and administrators manage patient populations to better health at lower costs. NNEACC successfully developed and launched this suite of tools within a 15-month window; it is actively being used for front line care in four hospital systems.

Before joining NNEACC, Scott was the Senior Director of Value Performance, Measurement, & Patient Safety (VPMPS) at Dartmouth-Hitchcock Medical Center. VPMPS is responsible for regulatory and patient safety performance, quality metrics, and The Value Institute; a program dedicated to improving the capacity of care providers to achieve innovative and sustainable change in the value (quality/cost) of care processes. In addition, Scott guided the development of clinical population health transformation pathways for the Dartmouth-Hitchcock System. The initial five priority pathways are: adult diabetic care, total knee replacement, congestive heart failure, spine care, and adult/pediatric prevention.

Previously, Scott was the AVP Division of Quality & Safety with the Geisinger Health System and had primary accountability for the ProvenCare® program, Geisinger Quality Institute, and regulatory performance and measurement. Scott is a graduate of Williams College, Williamstown, MA and The Dartmouth Institute for Health Policy and Clinical Practice.

Karen Ewer-Gray, AS, Canaan, EXECUTIVE COMMITTEE

Karen Ewer-Gray currently serves as Director of Health Services at Cardigan Mountain School in Canaan, New Hampshire. Prior to joining Cardigan Mountain School in 2012, she served for 14 years as the Clinical Director of the Avis Goodwin Community Health Center in Somersworth, New Hampshire, a Federally Qualified Health Center similar to what is planned for Masoma Valley. Karen also served as the Executive Director of the Health and Safety Council of Strafford County for four years. Karen is a registered nurse and a graduate of New Hampshire Technical Institute.

Mary Paquette, BS, Canaan, TREASURER

My name is Mary E. Paquette. I have recently put down roots in Canaan and have been looking for a way to be active in the community. When I first heard of the Mascoma Community Health Center, I knew it was a good idea and have subsequently attended almost every meeting. I received my Bachelor's degree in Accounting in 2009 while working full time, running a household, and raising two children. Shortly after, I accepted a position as the Corporate Controller for a wholesale petroleum distributor headquartered in Lebanon. I also serve as the Benefits Administrator for my company. My financial background and familiarity with insurance programs and deductibles has provided me with a basis to support the creation and ongoing work of the Mascoma Community Health Center. I look forward to the continuing efforts to make this vision a reality.

Sean Murphy, BS, Canaan

Sean Murphy has served as the Manager of Manufacturing Systems at Timken Aerospace in Lebanon, New Hampshire for the past three years. During his eight years at Timken, his previous roles included Project Engineer, as well as Manager of Process Engineering. Prior to joining the Timken Company, Sean spent five years managing Information Technology in the assisted living industry, as well as various manufacturing and industrial engineering positions in the precision machining, composites, consumer construction, and telecommunications industries.

Sean holds a Bachelor's Degree in Industrial Engineering from the University of Arizona, and is currently pursuing his Masters Degree in Business Administration from Southern New Hampshire University. Areas of expertise include manufacturing, engineering, project management, information technology, data analysis, and business process development.

Sean was raised in Vermont, attended college in Arizona, and has lived in Canaan New Hampshire for the past 11 years with his wife Cecilia. In his free time he enjoys spending time with his family, woodworking, and traveling.

Prior to Family Pharmacy, Ed owned and operated Red Cross Pharmacy for over twenty five years. Ed is the Executive Director of the New Hampshire Independent Pharmacy Association and Independent Pharmacy Alliance. He has also served his community by serving as a Director of Mascoma Savings Bank. Ed graduated from University of Connecticut with a BS in Pharmacy. Ed is a resident of Canaan.

Alice Schori, MPH, Canaan

Recent work experience includes eight years as office assistant at New England Regional Office of the Appalachian Trail Conservancy in Lyme (until spring 2007) followed by seven summers doing botanical surveys for the White Mountain National Forest. I have also done contract botanical work. Currently, I keep busy growing vegetables and fruit, with occasional botanical jobs on the side. Now that I am no longer away most of the summer, I want to be more active in local affairs, and an affordable, high-quality clinic is a great goal to work toward.

Other organizational involvement: Secretary of the Board of Directors of Mascoma Watershed Conservation Council; Past-president of the New England Botanical Club (organization of professional, academic, and amateur plant enthusiasts, keeper of an extensive herbarium of New England plant specimens housed at Harvard University Herbaria, and publisher of the journal *Rhodora*); served on board of Twin Pines Housing Trust in its early years.

Education: AB (Oberlin College), MPH (BUSPH 1983) followed by a brief stint at DMS, working first for John Baron, then Jack Wennberg, before I decided I really didn't want to be a statistician and/or epidemiologist. Before the MPH, I studied therapeutic recreation and worked a year each at a senior center and later at a nursing home.

Dale Barney, Canaan, CHAIR, BOARD OF DIRECTORS, DEVELOPMENT COMMITTEE CHAIR

Dale Barney is the CEO and President of Barney Insurance Agency in Canaan. He is a native of the Mascoma Valley, a graduate of Mascoma High School and lives in Canaan with his wife, Bobbi. He is also the Moderator for the Town of Canaan, past President of the Canaan Lions Club, Chairman/Coordinator of the popular Canaan Lions Club Summer Concert Series On The Common and among other interests, an avid bluegrass musician.

Mike Samson, BS, JD, Canaan, FINANCE COMMITTEE CHAIR, EXECUTIVE COMMITTEE

Mike Samson believes that the availability and affordability of healthcare is one of the most important issues facing families, employers and healthcare professionals. He hopes that his background in non-profits, government, education, law and community health will help to make community health a reality in Mascoma Valley. Mike has been Canaan's Town Administrator for the past 4 years. Prior to Canaan, he was CEO of a plastic manufacturing firm in Milton, NH for 5 years, Executive Director and Chairman of the Board of Northeast Resource Recovery for 6 years, District Manager of Rutland County Solid Waste District in Vermont for 11 years, Town Manager in Castleton, VT and Town administrator in Poultney, VT for 3 years, practicing attorney for 30 years, middle school and college teacher and school administrator in Washington Northeast Supervisory Union (Plainfield, VT) for 4 years. While in Plainfield, he helped to start Northeast Washington County Community Health: The Health Center - a federally qualified health center, serving six towns in Central Vermont with 14,000 patients. He served as Chairman of the Board for several years. He serves on the Upper Valley Public Health Advisory Council and ReThink Health. Mike's wife and two of his four children are involved in healthcare.

John M. Dow, AS, Canaan, BUILDING COMMITTEE CHAIR

A Canaan native, John was in Mascoma High School's first graduation class. After completing his Associate's Degree at Wentworth Institute, he served four years in the US ARMY, including one year in Viet Nam. Working a summer at CREAL in Hanover; and then as an architect, designing nursing homes, apartment buildings and banks in the greater Boston area, John returned to New Hampshire to head the architecture and purchasing departments at Prescott Homes Division in Meredith, overseeing numerous architects and work crews, as well as coordinating purchasing needs of the crews for six years. In 1975 John purchased the family hardware store, which had been in the family since the Canaan Fire in 1923. Remodeling and continually upgrading the old building and the stock offerings, and finally in 2006, relocating the business to the Common, where it stands today. Canaan Hardware has become an icon in downtown Canaan for the past thirty eight years, with John at the helm, and daughter Robin, now following in his footsteps.

A Canaan native, John and his wife Chris, have raised four children, and participated in numerous civic activities over the years, from Pee Wee baseball head for over twenty years, to Elliott Field organizer, Canaan Water Commissioner, Canaan Planning Board, Canaan Lions Club, 4-H, Masons, Eastern Star, and Friends of Canaan Village as well as numerous beautification and enhancement projects over the years. In his spare time John enjoys being a project person, golf, X-C skiing, horseshoes, volunteering and spending time with the family.
